Program Committee

Christian Freksa (Universität Bremen)
Bernhard Nebel (Universität Freiburg)
Markus Knauff (Universität Freiburg)
Bernd Krieg-Brückner (Universität Bremen)

The conference organizers request submissions on original spatial cognition research and particularly encourage contributions from interdisciplinary / international cooperations. The target length of the contributions is 14-22 pages including abstracts in the Springer LNCS format (see www.springer.de/comp/lncs/authors.html). We request electronic submissions, preferably in .pdf format.

Please submit your paper to

Thomas Barkowsky
barkowsky@sfbtr8.uni-bremen.de
Fax +49-421-218-8620

Selected papers will be given 30 minutes for presentation and discussion at the conference. The conference papers will be published in the Springer Lecture Notes in Artificial Intelligence. Color graphics may be included upon request at extra cost.

Further information will be made available at www.sfbtr8.uni-bremen.de
